INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Boys and Girls Clubs of Broward County, Inc.

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Boys and Girls Clubs of Broward County, Inc. (a nonprofit organization) (the "Club"), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Club as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Club and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Club's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Club's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and State of Florida Chapter 10.650, *Rules of the Auditor General*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Boys and Girls Clubs of Broward County, Inc.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2023, on our consideration of the Club's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Club's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Club's internal control over financial reporting and compliance.

KEEFE McCULLOUGH

Fort Lauderdale, Florida

Boys and Girls Clubs of Broward County, Inc.

Notes to Financial Statements

June 30, 2023 and 2022

Note 1 - Organization and Operations

Boys and Girls Clubs of Broward County, Inc. (the "Club") is a not-for-profit organization whose mission is to inspire and enable all young people, especially those from challenging circumstances, to realize their full potential as productive, responsible, and caring citizens. Success is achieved through participation in the following three core care programs which are all part of the Club's Youth Development Services:

Academic success - as part of this program, staff and volunteers place importance on encouraging members, ages 6-18, to strive for academic excellence. The Club has partnered with select educational and vocational institutions as part of a strategy designed to encourage and motivate members to think beyond high school and graduate on time.

Good character and citizenship development - this program offers opportunities for all members to engage in community service learning projects. This program includes the Youth of the Year program which promotes and celebrates service to the Club; community and family, academic performance; moral character; life goals; and poise and public speaking ability. Also, part of this program is the Keystone Club. It affords teens an opportunity to gain valuable leadership and service experience by conducting activities in three areas: academic success, career exploration, and community service. The Torch Club is also part of this program which helps to meet character development needs of younger adolescents at a critical stage in their development. Torch Club members learn to elect officers and work together to implement activities in four areas: service to the Club and community, education, health and fitness, and social recreation.

Healthy lifestyles - this program encourages a lifelong commitment to the benefits of healthy nutrition and physical fitness. Activities in this program encourage developing teamwork and fostering good sportsmanship.

The Club also has locally developed programs that are designed to provide members with fun experiences that are hands-on, interactive and intended to develop critical thinking. These are often described as "fun with a purpose." They include culinary arts, media arts, boat building and design, motorcycle restoration, construction, and aviation.

All the Club's programs are designed to promote and enhance the development of the Club's members by instilling a sense of competence, usefulness, belonging, and self-esteem.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting: The Club uses the accrual basis of accounting for financial reporting purposes, which is in accordance with generally accepted accounting principles. Revenues are recognized when earned and expenses are recognized when incurred.

Basis of presentation: The financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Update (FASB ASU) No. 2016-14 *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements for Not-for-Profit Entities*. Under FASB ASU No. 2016-14, the Club is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Boys and Girls Clubs of Broward County, Inc.
Notes to Financial Statements
June 30, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies (continued)

Net assets: Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net Assets Without Donor Restrictions* - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
- *Net Assets With Donor Restrictions:* Net assets subject to donor (or certain grantor) imposed restrictions. Some restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor or grantor. Other restrictions are perpetual in nature, where the donor or grantor stipulates that resources be maintained in perpetuity.

Revenue Recognition: The Club records special event revenue when the underlying event takes place. Amounts received in advance are deferred to the applicable period.

The Club recognizes contributions when cash, securities, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met or explicitly waived. Assets received before the barriers are overcome are accounted for as refundable advances. As of June 30, 2023, there are no promises receivable reported. As of June 30, 2022, there are \$ 55,088 in promises receivable.

A portion of the Club's revenue is derived from cost-reimbursable state, county, and city contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Club has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position.

Cash and Cash Equivalents: Cash and cash equivalents include highly liquid short-term investments with remaining maturities at the date of purchase of three months or less. Cash equivalents include investments in money market funds that are carried at cost plus accrued interest, which approximates fair value.

Concentration of Credit Risk: The Club deposits excess cash with a major financial institution. At times, such balances may be in excess of federally insured limits.

Fair Value of Financial Instruments: Cash and cash equivalents, accounts receivable, promises receivable due in less than one year, grants and contracts receivable, and accounts payable and accrued expenses are reported at cost, which approximates fair value due to the relative terms and short maturity of these instruments. The carrying amount of promises receivable due in more than one year and contributions receivable on donated facilities approximate fair value since they have been discounted to net present value using discounted cash flows. The fair value of the cash surrender value of life insurance is based on the Club's share of the respective life insurance policy as represented by the insurance company and approximates fair value. Paycheck Protection Program ("PPP") Loan is stated at its carrying value which is not significantly different from current rates that would be available for debt of similar terms.

Boys and Girls Clubs of Broward County, Inc.

Notes to Financial Statements

June 30, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies (continued)

Accounts Receivable and Allowance for Doubtful Accounts: Accounts receivable principally consist of uncollateralized obligations related to the Club's special events and auctions. The carrying amount of accounts receivable is reduced by an allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all accounts receivable balances and based on an assessment of current credit worthiness, estimates the portion of the balance, if any that will not be collected. After all attempts to collect a receivable have failed, the receivable is written off against the allowance. Based on the information available, management believes its allowance for doubtful accounts as of June 30, 2023 and 2022 is adequate. However, actual write-offs could exceed the recorded allowance.

At June 30, 2023, receivables from three donors accounted for approximately 69% and at June 30, 2022, receivables from two donors accounted for approximately 11% of net accounts receivable.

Promises Receivable: Unconditional promises receivable that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected beyond one year are recorded at the present value of their future cash flows using risk-adjusted interest rates applicable to the years in which the promises are to be received. An allowance for uncollectible promises receivable is provided based upon management's judgment, including such factors as prior collection history, type of contribution and nature of fundraising activity. As of June 30, 2023 and 2022, all promises receivable are due within one year. Based on the information available, an allowance of \$ 118,700 has been recorded as of June 30, 2022. No remaining promises receivable were recorded at June 30, 2023 requiring further allowance.

At June 30, 2022, net promises receivable from five donors accounted for approximately 77% of net promises receivable.

Grants and Contracts Receivable: The Club renders services to members under grant agreements with governmental organizations. These agreements typically require the Club to apply for annual renewal. Certain agreements provide for termination by either party upon written notice.

Grants and contracts receivable, all due within one year, are recorded at their net realizable value. Management reviews grants and contracts receivable on a regular basis to determine collectability and estimates the portion of the balance that will not be collected, if any.

Conditional promises to give, that is those with a measurable performance barrier or other barrier, and a right of return, are not recognized until the conditions on which they depend have been met. The Club did not have any conditional contributions at June 30, 2023 and 2022, other than the disclosure noted in Note 16.

At June 30, 2023 receivables from seven grantors accounted for approximately 96% of total grants and contract receivables and at June 30, 2022 receivables from five grantors accounted for approximately 97% of total grants and contract receivables.

Donated Use of Facilities: Donated use of facilities is recorded as contributions at fair value when an unconditional commitment is received from the donor. It is recorded as net assets with donor restrictions and released as the facilities are being used.

Boys and Girls Clubs of Broward County, Inc.

Notes to Financial Statements

June 30, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies (continued)

Contributions receivable on donated facilities include the value of the use of certain facilities donated in connection with long-term leases. The fair value of the future contributed use of these facilities is based on the fair value of the use of these facilities over the term of the lease at the date of contribution. The Club ensures that the fair value of the use of the facilities over the life of the lease recorded at the date of contribution does not exceed the fair market value of the underlying asset. The receivables are discounted using a rate of 3%, which approximates the risk-free rate of return. For the years ended June 30, 2023 and 2022, in-kind contributions related to donated facilities amounted to \$ 79,226 and \$ 73,224, respectively.

Investments: Investments are reported at fair value (Note 5). Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities. Investment income and realized and unrealized gains and losses restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and changes in fair value are recognized.

The overall valuation process and information sources by major investment classification are as follows:

- **Equity Securities:** These include domestic equities traded on a national securities exchange that are valued at the last reported sales price on the last business day of the fiscal year.
- **Mutual Funds:** These investments are the closing net asset value (NAV) of shares held at fiscal year-end. If the mutual fund makes its net asset values publicly available daily to set the price for purchases and redemption the following day, the mutual fund is categorized within level 1. If the Club cannot redeem its investment at net asset value per share at fiscal year-end but the investment is redeemable with 90 days' notice or less, the mutual fund is categorized within level 2. As of June 30, 2023 and 2022, all mutual funds investment accounts were categorized as level 1.
- **Fixed income securities:** The investment grade corporate bonds held by the Club generally trade in active markets on the measurement date.
- **Exchange traded funds and Commodities:** Securities that are traded on a stock exchange which experience price changes throughout the day as they are bought and sold, and which trade intra-day on a national securities exchange.

Management determines the fair value measurement valuation policies and procedures, including those for level 3 recurring and non-recurring measurement. Management assesses and approves these policies and procedures. At least annually, management determines if the current valuation techniques used in fair value measurements are still appropriate and evaluates and adjusts the unobservable inputs used in the fair value measurements based on current market conditions and third-party information.

The Club's investments are exposed to various risks, such as market and credit risks. Because of the risk associated with such investments, it is possible that changes in their values will occur and that such changes could materially affect the Club's financial statements.

Boys and Girls Clubs of Broward County, Inc.

Notes to Financial Statements

June 30, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies (continued)

Beneficial Interest in Perpetual Trusts: Perpetual trusts are held by third parties under arrangements where the Club has irrevocable rights to receive the income earned on the trust assets in perpetuity but never receives the assets held in trust. The trust assets are recorded at fair value as beneficial interest in the trust and contribution income under support with donor restrictions at the date the trust is established. Annual distributions are reported as investment income and included in the accompanying statements of activities as a component of interest and dividends. Adjustments to trust assets are based on the fair value of the underlying investments and are recorded as gains or losses with donor restrictions unless otherwise specified by the donor agreement.

The fair value of the Club's beneficial interest in irrevocable trusts is based on the Club's proportionate share of the underlying fair value of each irrevocable trust as provided by each third-party trustee. Actual results may differ from these valuation assumptions and these differences could significantly affect the accuracy of fair value estimates included in these financial statements.

The underlying assets of each irrevocable trust are Level 3 investments.

Property and Equipment, net: Property and equipment are stated at cost, less accumulated depreciation. Donated property and equipment are recorded at their estimated fair value at the date of donation. Depreciation is calculated using the straight-line method over the estimated useful life of the assets. The estimated useful lives used to compute depreciation range from 3 years to 50 years.

Cost of major additions and improvements that extend the life of the asset are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

Impairment of Long-Lived Assets: The Club reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment loss has been recognized during the years ended June 30, 2023 and 2022.

In-Kind Contributions: Non-cash items and in-kind gifts are recorded at their fair value on the date they are received. Contributions of services are recognized when the services received: (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The Club did not record any contributed services for the years ended June 30, 2023 and 2022. Approximately 6,921 and 4,885 volunteer hours were provided to the Club during the years ended June 30, 2023 and 2022, respectively. These volunteer services do not meet the criteria for recognition as contributed services.

Public Support and Revenue: Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (i.e. when a stipulated time restriction ends, or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Boys and Girls Clubs of Broward County, Inc.

Notes to Financial Statements

June 30, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies (continued)

For the years ended June 30, 2023 and 2022, revenues from one grantor accounted for approximately 32% and 26% of total public support and revenue, respectively.

Special Event Income and Sponsorships: The Club reviews special event ticket prices and sponsorship agreements to bifurcate which portion of the proceeds is considered an exchange transaction, whereby the participant is receiving commensurate benefit for the amount paid and which amount is considered to be a contribution.

The contribution portion is considered to be conditional upon the occurrence of the event and is therefore recorded as deferred revenue by the Club until the event occurs.

The remaining portion of the ticket, where the participant or sponsor receives commensurate value is considered an exchange transaction. Revenues are recognized when the promised good or service is transferred, to the participant or sponsor, in an amount that reflects the consideration the organization expects to be entitled to in exchange for those goods or services. The exchange transactions are recognized using the five-step model as follows:

- Identification of the contract with the customer
- Identification of the performance obligation in the contract
- Determination of the transaction price
- Allocation of the transaction price to the performance obligation in the contract
- Recognition of revenues when, or as, performance obligations are satisfied

The Club does not offer any discounts on the sponsorship or exchange portion of the ticket price. The Club considers the performance obligation to a participant to hold the special event, and therefore recognizes revenue when the event is held, and defers any prepayments.

Sponsorships include several performance obligations that are satisfied at the point in time the event is held, including signage and logo displays, tickets to the event, and other networking opportunities based on the agreements. In addition, sponsors may receive tickets for future events, which are satisfied when those events take place. Each sponsor agreement has a set price in the contract, and the Club reviews the applicable performance allocation and allocates the prices based on the standalone selling price, derived from what the charges would be if separately purchased by other companies. The Club recognizes revenue as the performance obligations are satisfied.

As of June 30, 2023 and 2022, the Club recorded deferred revenue of \$ 160,350 and \$ 114,522, respectively for monies received for events that have not yet occurred, or other unsatisfied performance obligations.

Royalties: The Club maintains agreements with certain media agencies whereby the agencies contribute a percentage of their earned revenue generated by their advertisement to the Club. The agencies do not restrict the use of these funds. The Club recognizes contributions annually as received, as there are several barriers or conditions that apply to the contracts.

Publicity and Promotion: Publicity and promotion costs are primarily related to the advertising of special events held by the Club. These costs are expensed as incurred. For the years ended June 30, 2023 and 2022, publicity and promotion expense amounted to \$ 190,846 and \$ 232,956, respectively.

Functional Allocation of Expenses: The costs of providing the various programs and activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Occupancy costs and general supplies are allocated based on the percentage of square footage in the buildings by each function. The salaries of the executive staff are allocated based on the time spent in each function.

Boys and Girls Clubs of Broward County, Inc.
Notes to Financial Statements
June 30, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies (continued)

Income Taxes: The Club has been granted an exemption from income taxes under Internal Revenue Code Section 501(c)(3) as a not-for-profit organization and exempt from state income taxes under similar provisions in the Florida Statutes. Accordingly, no provision for income taxes is required as of June 30, 2023 and 2022.

The Club has adopted the provisions of Financial Accounting Standards Board (“FASB”) Accounting Standard Codification (“ASC”) No. 740 *Income Taxes*. Under ASC 740, the Club must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more-likely-than-not that the position will be sustained. Management of the Club does not believe there are any material uncertain tax positions and accordingly has not recognized any liability for unrecognized tax benefits. The Club has filed for and received income tax exemptions in the jurisdictions where it is required to do so. Additionally, the Club has filed Internal Revenue Service Form 990 tax returns as required and all other applicable returns in those jurisdictions where it is required. The Club believes that it is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2020. However, the Club is still open to examination by taxing authorities from fiscal year 2020 forward. For the years ended June 30, 2023 and 2022, there was no interest or penalties recorded or included in the statements of activities and changes in net assets.

Management’s Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the years then ended. Actual results could differ from those amounts.

Date of management review: Management has evaluated subsequent events through December 21, 2023, the date the financial statements were available to be issued and has concluded that there were no such events that require adjustment to the financial statements or disclosure in the notes to the financial statements.

Note 3 - Investments

Investments are recorded at fair value and consist of the following at June 30:

	<u>2023</u>	<u>2022</u>
Equity securities	\$ 7,478,036	\$ 8,145,642
Mutual funds	4,233,783	952,555
Corporate bonds	3,504,947	7,831,058
Commodities	90,727	170,907
Exchange-traded funds	<u>5,914,779</u>	<u>6,502,990</u>
 Total investments	 <u>\$ 21,222,272</u>	 <u>\$ 23,603,152</u>

Boys and Girls Clubs of Broward County, Inc.
Notes to Financial Statements
June 30, 2023 and 2022

Note 4 - Beneficial Interest in Perpetual Trusts

The fair market value of the Club's beneficial interest in irrevocable perpetual trusts amounted to \$ 4,252,661 and \$ 4,155,301 at June 30, 2023 and 2022, respectively.

During the years ended June 30, 2023 and 2022, the change in market value of the Club's beneficial interest in perpetual trusts amounted to a net gain (loss) of \$ 97,361 and (\$ 913,349), respectively, and is included in the accompanying statements of activities as a component of net realized and unrealized gains and (losses) on investments.

Note 5 - Fair Value Measurements

Fair Value Measurements: Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach are used to measure fair value. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 - inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Club have the ability to access.
- Level 2 - inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 - inputs are unobservable inputs for the asset or liability, used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market data, which requires management to develop its own assumptions.

The following table presents the Club's investments and beneficial interest in perpetual trusts measured at fair value on a recurring basis, segregated by level within the fair value hierarchy, as of June 30, 2023:

	Fair Value Measurements at Reporting Date Using:				
	Quoted Prices In Active Markets For Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total	
Equity securities:					
Domestic	\$ 6,996,520	\$ -	\$ -	\$ 6,996,520	
International	481,516	-	-	481,516	
Total equity securities	7,478,036	-	-	7,478,036	
Mutual Funds	4,233,783	-	-	4,233,783	
Fixed income securities:					
Corporate bonds	3,504,947	-	-	3,504,947	
Commodities	90,727	-	-	90,727	
Exchange-traded funds	5,914,779	-	-	5,914,779	
Total investments	\$ 21,222,272	\$ -	\$ -	\$ 21,222,272	
Beneficial interest in irrevocable perpetual trusts	\$ -	\$ -	\$ 4,252,661	\$ 4,252,661	

Boys and Girls Clubs of Broward County, Inc.
Notes to Financial Statements
June 30, 2023 and 2022

Note 5 - Fair Value Measurements (continued)

The following table presents the Club's investments and beneficial interest in perpetual trusts measured at fair value on a recurring basis, segregated by level within the fair value hierarchy, as of June 30, 2022:

	Fair Value Measurements at Reporting Date Using:			
	Quoted Prices In Active Markets For Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Equity securities:				
Domestic	\$ 7,723,508	\$ -	\$ -	\$ 7,723,508
International	<u>422,134</u>	<u>-</u>	<u>-</u>	<u>422,134</u>
Total equity securities	<u>8,145,642</u>	<u>-</u>	<u>-</u>	<u>8,145,642</u>
 Mutual Funds	 952,555	 -	 -	 952,555
 Fixed income securities:				
Corporate bonds	7,831,058	-	-	7,831,058
Commodities	170,907	-	-	170,907
Exchange-traded funds	<u>6,502,990</u>	<u>-</u>	<u>-</u>	<u>6,502,990</u>
 Total investments	 <u>\$ 23,603,152</u>	 <u>\$ -</u>	 <u>\$ -</u>	 <u>\$ 23,603,152</u>
 Beneficial interest in irrevocable perpetual trusts	 <u>\$ -</u>	 <u>\$ -</u>	 <u>\$ 4,155,301</u>	 <u>\$ 4,155,301</u>

There were no transfers between the levels of the fair value hierarchy during the years ended June 30, 2023 and 2022.

The following table presents additional information about Level 3 assets measured at fair value. Both observable and unobservable inputs may be used to determine the fair value of positions that the Club has classified within the Level 3 category. As a result, the unrealized gains and losses for assets within the Level 3 category may include changes in fair value that were attributable to both observable (e.g., changes in market interest rates) and unobservable (e.g., changes in unobservable long-dated volatilities) inputs.

Changes in Level 3 assets measured at fair value are as follows for the years ended June 30:

	2023			
	Beginning Balance	Payments Received/ Write-off's	Net investment gain (loss)	Ending Balance
Beneficial interest in perpetual trusts	\$ <u>4,155,301</u>	\$ <u>(240,376)</u>	\$ <u>337,736</u>	\$ <u>4,252,661</u>

Boys and Girls Clubs of Broward County, Inc.**Notes to Financial Statements****June 30, 2023 and 2022**

Note 5 - Fair Value Measurements (continued)

	2022			
	Beginning Balance	Payments Received/ Write-off's	Net investment gain (loss)	Ending Balance
Beneficial interest in perpetual trusts	\$ 5,068,650	\$ (190,821)	\$ (722,528)	\$ 4,155,301

Gains and losses (realized and unrealized) are reported in investment income, net in the accompanying statements of activities.

Note 6 -Endowment

The Not-for-Profit Entities Presentation of Financial Statements Subtopic of the FASB'S Accounting Standards Codification ("ASC") (ASC 958-205) provides guidance, among other things, on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA).

Interpretation of Relevant Law

The management of the Club's endowed funds is guided by the laws of the State of Florida specifically, the Florida Uniform Prudent Management of Institutional Funds Act ("FUPMIFA"). The Board of Directors of the Club has interpreted FUPMIFA as requiring the preservation of fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Board of Directors classifies as net assets with donor restrictions (a) the original value of gifts donated to a permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

In accordance with FUPMIFA, the Club considers the following factors in making a determination to appropriate or funds with donor restrictions:

- 1) The purpose of the Club
- 2) The intent of the donor of the endowment fund
- 3) The terms of the applicable instrument
- 4) The long-term and short-term needs of the Club in carrying out its purposes
- 5) General economic conditions
- 6) The possible effect of inflation or deflation
- 7) The other resources of the Club
- 8) Perpetuation of the endowment

Note 6 -Endowment (continued)

Return Objectives and Risk Parameters

The Club has a spending policy of appropriating for distribution each year 4% of its endowment fund's fair value as of June 30th of the prior fiscal year. The spending policy only applies to the investment component of the endowment fund. The Board of Directors may also authorize distributions in connection with specific capital projects or other long-term purposes. In establishing this policy, the Club considered the long-term expected investment return on its investment portion of the endowment. Accordingly, over the long term, the Club expects the current spending policy to allow the investment component of the endowment fund to grow at an average of 4% annually. This is consistent with the Club's objective to maintain the purchasing power of the investment endowment assets as well as to provide additional real growth through investment returns. Distributions are generally scheduled for July, the first month of the fiscal year.

Strategies Employed for Achieving Objectives

To meet the needs of the Club, the Club's investment strategy emphasizes a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends) by following the strategies outlined above.

Spending Policy and How the Investment Objective Relates to Spending Policy

To achieve the above growth objective, the Club has adopted an investment policy that attempts to maximize total return consistent with an acceptable level of risk. Investment endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities that is intended to result in a consistent inflation protected rate of return that has sufficient liquidity to make an annual distribution of 4% while growing the fund, if possible. Accordingly, the Club expects its investment endowment assets, over time, to produce an average rate of return of approximately 4% annually. Actual returns in any given year may vary from this amount. Earnings on endowment assets are recorded as unrestricted support. The Club has a policy to restrict earnings on endowment until appropriated for expenditure. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the investment component of the endowment fund to unacceptable levels of risk.

Endowment net asset composition by type of fund is as follows as of June 30:

	2023		
	Net Assets without donor Restrictions	Net Assets with donor Restrictions	Total
Board-designated investments	\$ 4,900,742	\$ -	\$ 4,900,742
Net investment return	4,720,206	-	4,720,206
Donor-restricted investments	-	9,469,595	9,469,595
	<u>\$ 9,620,948</u>	<u>\$ 9,469,595</u>	<u>\$ 19,090,543</u>

Boys and Girls Clubs of Broward County, Inc.
Notes to Financial Statements
June 30, 2023 and 2022

Note 6 -Endowment (continued)

	2022		
	Net Assets without donor Restrictions	Net Assets with donor Restrictions	Total
Board-designated investments	\$ 4,900,742	\$ -	\$ 4,900,742
Net investment return	2,705,130	-	2,705,130
Donor-restricted investments	-	9,469,595	9,469,595
	\$ 7,605,872	\$ 9,469,595	\$ 17,075,467

From time to time, the fair value of assets associated with the donor-restricted endowment funds may fall below the amount required to be retained permanently. In accordance with generally accepted accounting principles, deficiencies of this nature are reported in net assets without donor restrictions and were \$ 0 as of both June 30, 2023 and 2022.

The Board of Directors had designated \$ 4,900,742 of net assets without donor restrictions as a general endowment fund to support the mission of the Club. Since that amount resulted from an internal designation and is not donor-restricted, it is classified and reported as net assets without donor restrictions.

Changes in endowment net assets are as follows for the years ended June 30:

	2023		
	Net Assets without Donor Restrictions	Net Assets with Donor Restrictions	Total Net Endowment Assets
Endowment net assets, beginning of year	\$ 7,605,872	\$ 9,469,595	\$ 17,075,467
Investment income	737,843	-	737,843
Net appreciation of investments	1,277,233	-	1,277,233
Amount appropriated for expenditure	-	-	-
Endowment net assets, end of year	\$ 9,620,948	\$ 9,469,595	\$ 19,090,543
	2022		
	Net Assets without Donor Restrictions	Net Assets with Donor Restrictions	Total Net Endowment Assets
Endowment net assets, beginning of year	\$ 10,344,918	\$ 9,469,595	\$ 19,814,513
Investment income	554,717	-	554,717
Net appreciation of investments	(3,293,763)	-	(3,293,763)
Amount appropriated for expenditure	-	-	-
Endowment net assets, end of year	\$ 7,605,872	\$ 9,469,595	\$ 17,075,467

Boys and Girls Clubs of Broward County, Inc.**Notes to Financial Statements****June 30, 2023 and 2022**

Note 6 -Endowment (continued)

The Club's interest in the beneficial trusts are perpetual in nature, however the assets are managed by separate organizations, and therefore assets are not considered part of the Club's investment and spending policies, and are therefore not included as part of the endowment assets held by the Club.

Note 7 - Notes Receivable

The Club is the holder of an unsecured note receivable and receives payments of principal and interest on an annual basis. The note bears interest at 5.91% per annum and is amortized over 30 years with a maturity date of November 15, 2028. The principal balance of the note as of June 30, 2023 and 2022 amounted to \$ 178,668 and \$ 208,446 respectively. Interest earned on the note receivable during the years ended June 30, 2023 and 2022, amounted to \$ 11,225 and \$ 12,994, respectively.

Note 8 - Property and Equipment, Net

Property and equipment, net consisted of the following at June 30:

	<u>2023</u>	<u>2022</u>
Land	\$ 2,853,231	\$ 2,853,231
Building and improvements	22,903,033	22,575,508
Equipment and software	2,897,448	2,690,903
Construction in progress	1,235,793	272,900
Transportation equipment	<u>840,612</u>	<u>840,612</u>
Less: accumulated depreciation	<u>(14,919,429)</u>	<u>(13,947,580)</u>
Property and equipment, net	<u>\$ 15,810,688</u>	<u>\$ 15,285,574</u>

The construction in progress at June 30, 2023 and 2022 relates to the teen center as described in Note 16.

Note 9 - Contributions Receivable on Donated Facilities

The Club operates under long-term leases whose use of the related facilities is donated. The expiration dates and the related receivable associated with each facility consisted of the following at June 30:

	<u>Expiration Date</u>	<u>Gross Receivable</u>	<u>Unamortized Discount at 3%</u>	<u>Net Receivable</u>
Hollywood	2031	\$ 205,470	\$ (21,717)	\$ 183,753
North Lauderdale	2034	272,272	(6,360)	265,912

Contributions receivable, net		<u>\$ 1,845,214</u>	<u>\$ 2,234,749</u>	

Note 10 - Employee Benefit Plan

The Club sponsors a defined contribution money purchase plan (the "Plan") formed under the administration of the Boys & Girls Clubs of America Master Pension Plan and Trust. The Plan covers substantially all full-time employees meeting certain age and length of service requirements.

At June 30, 2023 and 2022, the Club had a contribution payable to the Plan in the amount of \$ 70,000 and \$ 77,000, respectively, which is included as a component of accounts payable and accrued expenses in the accompanying statements of financial position. The Club's contributions to the Plan for the years ended June 30, 2023 and 2022 totaled \$ 268,936 and \$ 222,523, respectively, net of forfeiture funds, and is included in employee benefits on the accompanying statements of functional expenses.

Note 11 - Compensated Absences

The Club's liability for compensated absences of their employees was \$ 165,336 and \$ 154,983, which is included in accounts payable and accrued expenses as of June 30, 2023 and 2022, respectively. This represents amounts owed to employees under the Club's paid leave policies.

Boys and Girls Clubs of Broward County, Inc.
Notes to Financial Statements
June 30, 2023 and 2022

Note 12 - Net Assets

	<u>2023</u>	<u>2022</u>
Program operations	\$ 3,868,030	\$ 3,353,457
Capital projects	338,174	86,724
Time restrictions	2,597,614	2,997,042
Perpetual restrictions	<u>13,003,647</u>	<u>13,296,018</u>
	<u>\$ 19,807,465</u>	<u>\$ 19,733,241</u>

Net assets were released from donor restrictions by incurring expenses, satisfying the restricted purposes or by occurrence of the passage of time or other events specified by donors during the years ended June 30 as follows:

	<u>2023</u>	<u>2022</u>
Program operations	\$ 1,239,328	\$ 1,066,972
Capital projects	23,550	3,276
Time restrictions	<u>698,261</u>	<u>698,261</u>
	<u>\$ 1,961,139</u>	<u>\$ 1,768,509</u>

Note 13 - Liquidity

Financial assets and liquidity resources available within one year for general expenditure were as follows:

	<u>2023</u>	<u>2022</u>
Financial assets:		
Cash and cash equivalents	\$ 11,438,595	\$ 8,601,644
Investments	21,222,272	23,603,152
Accounts receivable, net	293,768	379,107
Promises receivable, net	-	55,088
Notes receivable	29,778	29,778
Grants and contracts receivable	<u>1,168,859</u>	<u>848,401</u>
Financial assets at year-end	34,153,272	33,517,170
Less those unavailable for general expenditures within one year, due to:		
Donor-imposed restrictions making financial assets unavailable for general expenditure	<u>(19,807,465)</u>	<u>(19,733,241)</u>
Financial assets available within one year to meet cash needs for general expenditures within one year	<u>\$ 14,345,807</u>	<u>\$ 13,783,929</u>

Boys and Girls Clubs of Broward County, Inc.**Notes to Financial Statements****June 30, 2023 and 2022**

Note 13 - Liquidity (continued)

In addition, the Club has a line of credit with a financial institution in the amount of \$ 500,000, as described in Note 14, which it could draw upon in the event of an unanticipated liquidity need. The Club manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they become due. Cash needs of the Club are expected to be met on a monthly basis from contributions, grants reimbursements and special events activities.

Note 14 - Line of Credit

The Club maintains a \$ 500,000 unsecured line of credit with a bank, bearing interest at the daily Bloomberg Short-Term Bank Yield rate plus 2%. The Club had no outstanding borrowings as of June 30, 2023 and 2022. The line of credit expires on March 31, 2024.

Note 15 - Related Party Transactions*Boys & Girls Clubs of America*

The Club is a subsidiary of the Boys & Girls Clubs of America. The Club's programs are sanctioned by the Boys & Girls Clubs of America, although its operations and management are independent of the national organization. At June 30, 2023 and 2022, grants receivable from the Boys & Girls Clubs of America amounted to \$ 66,000 and \$ 52,140, respectively. For the years ended June 30, 2023 and 2022, grant revenues from the Boys & Girls Clubs of America amounted to \$ 273,058 and \$ 211,081 respectively.

Board of Directors

The Club, during its normal course of operations, receives public support from members of its Board of Directors. At June 30, 2023 and 2022, accounts receivable from members of the Board of Directors amounted to \$ 34,250 and \$ 42,338, respectively, net of discount. For the years ended June 30, 2023 and 2022, public support from members of the Board of Directors amounted to \$ 2,065,118 and \$ 1,484,548, respectively.

Note 16 - Commitments and Contingencies*Grant Commitment*

On October 25, 2018, the Club entered into a \$ 1.5 million agreement with a private donor related to the Club's Great Futures Campaign. The funds from this agreement will be used towards the building of a teen center at the site of the current Rick & Rita Case Boys & Girls Club. Based on the terms of the agreement, the Club has recognized \$ 500,000 in contribution revenue with donor restriction for the year ended June 30, 2019. Due to the global pandemic, the Club has still not met specific milestones and conditions, therefore the Club did not receive the 2nd payment due on the contract. The donor has committed to awarding the remaining 2-year term of the agreement for the fiscal years ending June 30, 2024 and 2025 provided the Club is able to meet the terms of the contract. No amounts toward the \$ 1 million have been recorded as of June 30, 2023, as the conditions were not achieved.

Boys and Girls Clubs of Broward County, Inc.

Notes to Financial Statements

June 30, 2023 and 2022

Note 16 - Commitments and Contingencies (continued)

Granting Agencies

In the normal course of activities, the Club receives grants and other forms of reimbursement from various government agencies. These activities are subject to audit by agents of the funding authority, the purpose of which is to ensure compliance with conditions precedent to providing such funds. Management believes that all of the expenditures are properly recorded and that the liability, if any, for any reimbursement which may arise as the result of audits would not be material.

Economic Conditions

The Club depends substantially on contributions and contributed services for its revenues. The ability of certain Club contributors to continue giving amounts comparable with prior years may be dependent upon current and future overall economic conditions. While the Club's Board of Directors believes the Club has the resources to continue its programs, its ability to do so and the extent to which it continues, may be dependent on the above factors.

Litigation

The Club may be party to legal proceedings, investigations, and claims in the ordinary course of its business. The Club records accruals for outstanding legal matters when it believes, along with legal counsel, it is probable that a loss will be incurred, and the amount can be reasonably estimated. If a loss contingency is not both probable and estimable, the Club does not establish an accrued liability. Management does not believe there is any litigation against the Club other than routine matters arising out of the normal course of activities, all of which are expected to be covered by liability insurance, and none of which are expected to have a material adverse effect on the financial statements.

Note 17 - Subsequent Events

The date to which events occurring after June 30, 2023, the date of the most recent statement of financial position, has been evaluated by the Club for possible adjustment to the financial statements or disclosure is December 21, 2023. No material events have occurred since June 30, 2023 that require the recognition or disclosure in the financial statements.

Note 18 - Employee Retention Credit

The CARES Act provides an employee retention credit ("CARES Employee Retention Credit"), which is a refundable tax credit against certain employment taxes of up to \$ 5,000 per employee for eligible employers. The tax credit is equal to 50% of qualified wages paid to employees during a quarter, capped at \$ 10,000 of qualified wages per employee through December 31, 2020. Additional relief provisions were passed by the United States government, which extend and slightly expand the qualified wage caps on these credits through December 31, 2021. Based on these additional provisions, the tax credit is now equal to 70% of qualified wages paid to employees during a quarter, and the limit on qualified wages per employee has been increased to \$ 10,000 of qualified wages per quarter. During the fiscal year ended June 30, 2023, the Club recorded approximately \$ 1,647,000 related to the CARES Employee Retention Credit in other grants and contracts on the Club's Statement of Activities.

Boys and Girls Clubs of Broward County, Inc.
Notes to Schedule of Expenditures of Federal Awards and
State Financial Assistance
June 30, 2023

Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal awards and state financial assistance (the "Schedule") includes the federal and state award activity of Boys and Girls Clubs of Broward County, Inc. under programs of the federal and state government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.650, *Rules of the Florida Auditor General*. Because the Schedule presents only a selected portion of the operations of Boys and Girls Clubs of Broward County, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of Boys and Girls Clubs of Broward County, Inc.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and Chapter 10.650, *Rules of the Florida Auditor General*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Boys and Girls Clubs of Broward County, Inc. has not awarded any amounts to sub-recipients.

Note 3 - Indirect Cost Rate

Boys and Girls Clubs of Broward County, Inc. has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INTERNAL CONTROLS AND COMPLIANCE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Boys and Girls Clubs of Broward County, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Boys and Girls Clubs of Broward County, Inc. (a nonprofit Club) (the "Club"), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 21, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Club's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control. Accordingly, we do not express an opinion on the effectiveness of the Club's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

CPAs + Trusted Advisors

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Club's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Club's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Club's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

KEEFE McCULLOUGH

Fort Lauderdale, Florida
December 21, 2023

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
Boys and Girls Clubs of Broward County, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Boys and Girls Clubs of Broward County, Inc.'s (a nonprofit Club) (the "Club") compliance with the types of compliance requirements identified in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Club's major federal programs for the year ended June 30, 2023. The Club's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Club complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Club and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Club's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Club's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Club's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Club's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Club's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Club's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Boys and Girls Clubs of Broward County, Inc.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
